Data Privacy Policy

exocad

- Download Portals -

General notes

The following notes provide a simple overview of what happens to your personal data when you use the download portals on our website. Personal data is any data by which you can be personally identified. For detailed information on data protection in connection with the use of our download portals, please refer to this data privacy policy. Further information on the use of your data for direct marketing (e-mail newsletter) can be found in the general data protection policy (<https://exocad.com/privacy-policy>) on our website.

Who is responsible for data processing on this website?

Data processing on this website is carried out by the website operator.

The controller for data processing on this website within the meaning of the General Data Protection Regulation (GDPR) is exocad GmbH, Rosa-Parks-Str. 2, 64295 Darmstadt, Germany, Phone: +49 61 51 / 629 48 90, Fax: +49 61 51 / 629 48 99, Mail: info@exocad.com. The controller is the natural or legal person who alone or jointly with others determines the purposes and means of the processing of personal data.

The controller has appointed a data protection officer, who can be reached as follows:

Fieldfisher LLP, Riverbank House, Swan Lane 2, EC4R 3TT London / UK, Email: Privacy@aligntech.com

For which purposes do we use your data?

In the course of using the download portal, we collect and process the following personal data from you:

exocad serial number, first name, last name, e-mail, newsletter language preference, company name, company form, address, postal code, city, state and country.

In addition to the purposes stated in the general data privacy policy, this information is used exclusively to determine which data was downloaded by which customer and to assign it to the specific license of the exocad software. This is necessary to protect our legitimate interests according to Art. 6 para. 1 1 lit. f) GDPR, namely to protect the intellectual property of the data and to ensure the usability of the data and the correct maintenance of the software.

We reserve the right to provide information exclusively to affiliated companies if this is necessary to ensure the above-mentioned purposes.

What rights do you have regarding your data?

You have the right at any time to receive information free of charge about the origin, recipients and purpose of your stored personal data. You also have a right to request the correction or deletion of this data. If you have given your consent to data processing, you can revoke this consent at any time for the future. You also have the right to request the restriction of the processing of your personal data under certain circumstances. Furthermore, you have the right to file a complaint with the competent supervisory authority. For this purpose, as well as for further questions on the subject of data protection, you can contact us at any time at the address given in the imprint.

Contact - ensuring usability

When contacting us (e.g. via contact form or e-mail), personal data is collected. Which data is collected in the case of a contact form is indicated in the respective contact form. This data is stored and used exclusively for the purpose of responding to your request or for contacting you and for the associated technical administration.

To ensure the usability of the data, we reserve the right to contact you to inform you of any restrictions (e.g. callbacks) to the data we have made available. Ensuring the usability of the data is the only reason for us to contact you.

The legal basis for the processing of this data is Art. 6 para. 1 lit. f GDPR.

Storage period

Unless a more specific storage period has been specified within this data protection declaration, your personal data will remain with us until the purpose for the data processing no longer applies.
