

exocad is a leading dental software company, continuously pushing the boundaries at the forefront of digital dentistry. Founded in 2010 as a spin-off of the world-famous Fraunhofer Institute for Computer Graphics Research and now part of [Align Technology](#), we develop CAD software solutions for the dental industry. Labs and clinics in more than 150 countries rely on our software portfolio to design and create both functional and esthetic dental restorations. Find out more about us and our products at [exocad.com](https://www.exocad.com).

To strengthen our development team in Darmstadt we are looking for you as

Experienced Full Stack Developer (m/f/d)*

Join a team that is changing millions of lives. Transforming smiles. Transforming lives. Transforming an industry. exocad is looking for an Experienced Fullstack Developer. To work on very interesting new features, in a variety of technologies and areas of expertise. The team currently is distributed between Darmstadt and Tel-Aviv (Israel), so good English knowledge is a must have.

The main tasks may include

- Support existing and create new functionality for our applications in our tech stack (Angular, .NET)
- Participate in architecture discussions
- Develop Web applications following up-to-date standards, APIs and integrations
- Learn and share knowledge regarding new technologies and our products
- Work in a cross-functional Scrum team

The personal requirements

- Bachelor's degree or equivalent combination of education/experience in Computer Science, Information Systems, or related field
- 5+ years of experience in .NET
- 5+ years of experience in Web Development
- Good knowledge of software design principles
- Good knowledge of JavaScript, TypeScript, and web technologies
- Experience with modern web frameworks/libraries (React, Angular or Vue)
- Good knowledge of RESTful web services
- Expertise in cloud technologies (AWS, Azure, or GoogleCloud)
- English: min. B2

Nice to have

- Experience with Docker and Kubernetes
- Experience with building CI/CD pipelines
- Work experience in a medical or other regulated industry
- German language (Written and spoken)

What we offer you

- Exciting and varied tasks in a dynamic and growth-oriented software company
- Flat hierarchies and efficient decision-making processes
- A positive working atmosphere that promotes both individual freedom and responsibility
- Strong team spirit and very good working atmosphere
- Modern offices and workplaces, working with the latest technologies
- Flexible working hours
- Home office possibilities
- Corporate Events
- Sports facilities and work-life balance
- Free drinks, fruit and snacks
- Canteen with own cook
- Good transport connections
- JobTicket
