

exocad GmbH is a dynamic and innovative software company. Founded in 2010 as a spin-off of the world-renowned Fraunhofer Institute for Computer Graphics Research and part of the [Align Technology Group](#) since April 2020, we develop CAD software solutions for digital dental technology. Our international clientele includes well-known companies in the dental industry. More information about us and our products can be found at exocad.com.

To strengthen our development team in Darmstadt, we are looking for you as a

Working Student: Software Developer - Ruby on Rails (w/m/d)

As a working student you will support our existing development team in the further development of our web applications. Bring the smile back to people! Matching your interests and experience, we are guaranteed to have exciting challenges for you in our development team.

The main tasks include

- Implementing new feature requests for our internal user base
- Contribute to fixing bugs and maintaining our internal Redmine installation
- Working together with a team of supportive software engineers

The personal requirements

- Passionate about software development
- Experience with software development in Ruby on Rails
- Basic frontend-skills (TypeScript/CSS) for Redmine theme customization.
- High level of diligence and good communication skills
- Boy scout attitude when developing code
- Basic experience with Redmine is a plus

- Required language skills
- English language skill level B1+, German language skill level B1+
- One of the above needs to be at level B2+

What we offer you

- Exciting and wide range of tasks in a dynamic and growth-oriented software company
- Flat hierarchies and efficient decision-making processes
- A positive working atmosphere that promotes both individual freedom and responsibility
- Opportunities to grow into other areas of software development, if desired
- Strong team spirit
- Modern offices and cutting-edge work equipment
- Office working with some home office options
- Education and training
- Sport and work life balance
- Free drinks and snacks
- Canteen with own cook
- Corporate events
