EXOCAD ANNOUNCES PARTICIPATION AT CIOSP IN SÃO PAULO

exocad to present its latest software advances at Brazil's first major dental event of 2022

DARMSTADT, Germany – June 13, 2022 – exocad, an Align Technology, Inc. company and a leading dental CAD/CAM software provider, today announced its participation at the 39th annual CIOSP in Sao Paulo, Brazil from June 29 - July 2, 2022. exocad plans an expanded presence this year at CIOSP that will include presentations from dental industry insiders, demonstrations of live workflows and other opportunities for clinicians and technicians to experience the latest software solutions at Avenida 9 X Rua M.

"Visitors can see for themselves how *DentalCAD*, *ChairsideCAD* and *exoplan* help improve the patient experience, streamline communication with labs and increase treatment accuracy," said João Bosco, exocad Sales Manager, South America. "We are excited to showcase a preview of the powerful features of *DentalCAD 3.1 Rijeka*, and to demonstrate how our open platform enables simple and seamless integrations."

Attendees can watch live demonstrations at the exocad booth and network with exocad's digital dentistry experts. With the *Smile Creator* Experience, exocad will showcase a fully digital workflow from start to finish and demonstrate how an individual mock-up can be designed and created in a single session. New and experienced exocad software users can dialogue with renowned guest presenters Dr. Mario Kawagoe, Implantologist at Kawagoe Institute, Brazil; Carlos Landmeier, dental technician at CED - Centro de Escaneamento Dental; and Prof. Dr. Guilherme Saavedra, Clinical Associate Professor at University of Lisbon and at UNESP - São Paulo State University. exocad will also highlight how its surgical planning software *exoplan* includes the integration of libraries from Brazilian manufacturers Conexão, DSP Biomedical, Implacil De Bortoli, and S.I.N. Implant System.

Press Release

Those interested in diving into collaborative implant planning can benefit from exocad's limited-time "Ultimate XXL" offer, which includes three, complimentary *exoplan* core licenses for one year with new purchases of a flex or perpetual *DentalCAD* Ultimate Bundle. The promotion runs until July 31, 2022 and is limited to markets where *exoplan* is sold as a medical device.^{1,2}

1 General terms and conditions apply.

2 The *Guide Creator* module is not included but can be purchased as an add-on separately.
