EXOCAD INTRODUCES THE EXOCAD SHOP FOR *DENTALCAD* SOFTWARE USERS

Upgrades and additional modules can now be purchased directly from exocad

DARMSTADT, Germany – February 24, 2022 – exocad, an Align Technology, Inc. company and a leading dental CAD/CAM software provider, today introduced its online shop, (shop.exocad.com), an additional way for current *DentalCAD* perpetual license users to purchase upgrades or add-on modules, accompanied by installation and configuration support. This additional service is available for all customers of participating exocad resellers.

“The exocad shop is designed to be beneficial for both exocad customers and resellers,” said Novica Savic, exocad chief commercial officer. “The online shop will enable customers to make purchase decisions when convenient for them, with the added training, guidance and support they’ve come to expect from their trusted resellers.”

exocad developed the web shop to offer customers and resellers greater purchasing flexibility and support options. Benefits include:

- Global access, 24 hours a day, 7 days a week
- Quick and easy access to upgrades and add-on modules
- Ability to directly calculate the upgrade price for licenses online
- Installation and upgrade service by the experienced exocad support team

Visitors to the exocad shop who want help deciding which software is the best fit for their needs can first log on to exocad’s CAD Configurator,* an online tool that provides software package recommendations based on users’ answers to questions.

The exocad web shop is available in English and German at shop.exocad.com

* exocad's CAD Configurator is available at <https://exocad.com/you-exocad/cadconfigurator>
